60626-T

(PERMIT TERMS CONTINUED)

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 60626-T and 60627-T shall not exceed 120.0 acre-feet annually for the irrigation of 30.0

acres within the described place of use.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on December 31, 1995 at which time all rights herein granted shall revert to the right being changed by this temporary permit.
